Msg #2. Same letter was attached so not reattaching. I suggest getting in touch with Rose Kwok or Hadas on the timing. If there are other jurisdiction issues kicking around, we can loop in Karyn as needed.

I think this is mostly a waste treatment exclusion issue, so should it go to Alexis?

Hi Karyn,

I think we have met before, but just in case – I’m an ORISE on Donna’s JD team and act as our region 8 liaison.

A little background first:

We have a JD that’s been floating around for a while regarding Climax Mine, located in CO, which has been inactive for a few years and is now seeking to expand and resume operation. The Corps is handling the JD with a site visit scheduled for next week, and has been closely collaborating with us and the region (Erin Perkins is familiar with the case), doing a great job at keeping us in the loop.

[REDACTED]

The mine’s lawyer (Clark Hill) has recently submitted the Corps with a 12 pages long letter describing the mine’s point of view (which adds to a previous even longer letter sent in December 2012).

[REDACTED]

Just in case you are willing to go over it – I’ve attached it to this email. Let me know if you would like a copy of the maps to get a general idea of the area in question.

Thanks,
Hadas
